PRODUCT FACT SHEET

LARS TORNØE ON THE DESIGN "The characteristic little family of hooks is a friendly addition to any wall. The Dots are proud of their round edges and will treat your clothes with the greatest care. They will also let you arrange them on your wall in the pattern you like. Being a very social set of hooks. The Dots love to welcome other Dots to join them on the wall."

The wood has been carefully selected for this product, as a knot will ruin the design of the product. The wood is cut, glued together in 2 pieces and processed in a CNC turning lathe. Polished and oiled.
