

- INSTRUCTION MANUAL -

CPH DEUX 215

L75 / 140 / 200 X W35 X H45 CM

DESIGN BY RONAN & ERWAN BOUROULLEC

HAY

- INSTRUCTION MANUAL -

L75 X W35 X H45 CM

- PARTS -

A Tabletop x1

B Leg x4

C Screw x20

D Allen key x1

Protect the table top from scratches and other damage while assembling.

1.

Place the **B** parts on the reverse side of **A** and align them with the holes.

2.

Insert the **C** parts into the holes and gently tighten them.
Use the allen key to tighten the **C** parts completely.

3.

Turn the bench over. Use the allen key to tighten the **C** parts completely.

4.

Done!

- INSTRUCTION MANUAL -

L140 / 200 X W35 X H45 CM

- PARTS -

A Benchtop x1

B Leg x4

C Screw x16

D Screw x4

E Allen key x1

Protect the table top from scratches and other damage while assembling.

1.

Unscrew the 4 premounted **D** parts.

2.

Place the **B** parts on the reverse side of **A** and align them with the holes.

3.

Place the **D** parts again and gently tighten them.

4.

Place the **C** parts and tighten gently. Use the allen key to tighten both **C** and **D** parts completely.

5.

Turn the bench over.

6.

Done!

- CARE & MAINTENANCE -
