

Meteorite 35 Wall/Ceiling

Pio & Tito Toso

IP20    Dimmerable: 

LUMINAIRE

- Watt: **21W**
- Voltage: **220V - 240V**
- Delivered lumens output: **1786lm**
- Efficiency: **73%**
- Efficacy: **85.04lm/W**
- CRI: **80**

DESCRIPTION

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or - we might say - democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

PRODUCT CODE: 1701010A

FEATURES

- Article Code: **1701010A**
- Colour: **white**
- Installation: **WallCeiling**
- Material: **Blown glass, technopolymer**
- Series: **Design Collection**
- design by: **Pio & Tito Toso**

DIMENSIONS

- Height: **cm 30.7**
- Diameter: **cm 35**
- Base Diameter: **cm 12**
- Glow Wire Test: **850°**

SOURCES NOT INCLUDED

- Category: **LED RETROFIT**
- Number: **1**
- Socket: **E27**
