Safety instructions

General warnings:

- Never drag furniture when moving it, always lift it.
- Periodically check all fixings to ensure none have come loose and re-tighten where necessary.
- Please take care when handling or moving the furniture, careless handling may cause damage or injury.
- Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.
- It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.

WARNING:

- Do not place very hot or very cold items on the marble surface(s) unless adequately thick table mats are used to prevent such items from coming into contact with the marble.
- Do not sit or stand upon the marble surface(s)
- Do not use the marble as a chopping surface. Do not strike the marble with hard or pointed items.
- When cleaning the marble tops, use a moist cloth; do not use washing powders or any other substances containing abrasives since these substances can scratch and damage the marble surface.
- Oils, fats and liquids can damage and stain the surface of the marble. Any spills should be wiped and dried immediately using a soft cloth.
