

The diagram shows the following components and their quantities:

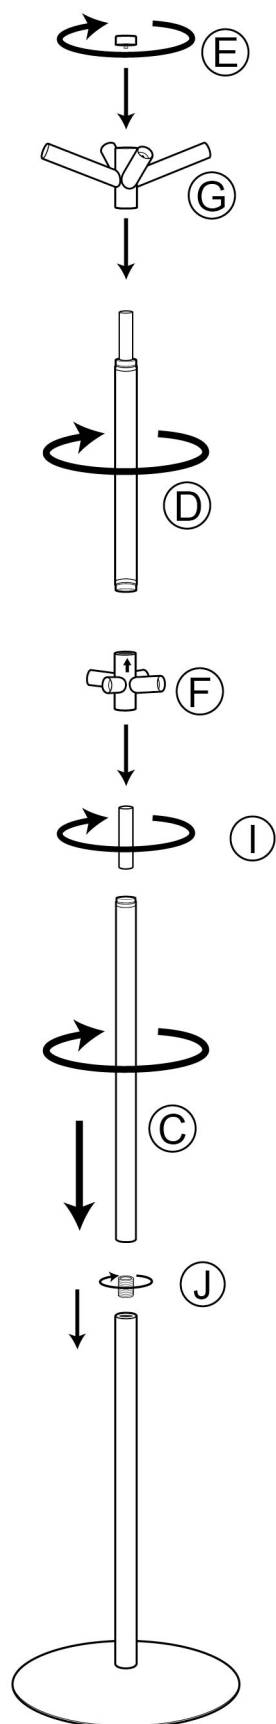

- A** x 1: A large oval-shaped base plate.
- B** x 1: A long, thin cylindrical rod.
- C** x 1: A shorter cylindrical rod.
- D** x 1: A small cylindrical component with a flange.
- E** x 1: A small rectangular component.
- F** x 1: A cross-shaped connector with an upward arrow.
- G** x 1: A Y-shaped connector.
- H** x 8: A small cylindrical rod.
- I** x 1: A small cylindrical rod.
- J** x 1: A small cylindrical rod.
- K** x 1: A threaded bolt.
- L** x 1: A circular ring.
- M** x 1: An L-shaped bracket.
